American Academy of Microbiology Fellows Class of 2021
American Academy of Microbiology 2021 Fellows

Alex Andrianopoulos, PhD
University of Melbourne
Australia

Robert Arkowitz, PhD
Université Côte d'Azur
France

Esther Babady, PhD
Memorial Sloan Kettering
Cancer Center
American Academy of Microbiology 2021 Fellows

Frédéric Barras, PhD
Pasteur Institute
France

Seth Bordenstein, PhD
Vanderbilt University

Tonja Bosak, PhD
Massachusetts Institute of Technology
American Academy of Microbiology 2021 Fellows

Samuel Brown, PhD
Georgia Institute of Technology

Lynn Bry, MD, PhD
Harvard Medical School

Daniel Buckley, PhD
Cornell University
American Academy of Microbiology 2021 Fellows

Geraldine Butler, PhD
University College Dublin
Ireland

Mary Carrington, PhD
Frederick National Laboratory for Cancer Research

Maurizio Del Poeta, MD
Stony Brook University
American Academy of Microbiology 2021 Fellows

David Denning, BMBS, FRCP, FRCPath, FECMM, FMedSci, FIDSA
University of Manchester
United Kingdom

Marie Elliot, PhD
McMaster University
Canada

Mario Feldman, PhD
Washington University School of Medicine
American Academy of Microbiology 2021 Fellows

Heinz Feldmann, MD, PhD
National Institute of Allergy and Infectious Diseases/NIH

Ana Fernandez-Sesma, PhD
Icahn School of Medicine at Mount Sinai

Sarah Fortune, MD
Harvard School of Public Health
American Academy of Microbiology 2021 Fellows

Sarah Gaffen, PhD
University of Pittsburgh School of Medicine

Darren Higgins, PhD
Harvard Medical School

Tobias Hohl, MD, PhD
Memorial Sloan Kettering Cancer Center
American Academy of Microbiology 2021 Fellows

Wei-Shau Hu, MD
National Cancer Institute

Natalia Ivanova, PhD
Joint Genome Institute

Timothy Y. James, PhD
University of Michigan
American Academy of Microbiology 2021 Fellows

Shibo Jiang, MD
Fudan University
China

Hanna Johannesson, Docent
Uppsala University
Sweden

Thirumala-Devi Kanneganti, PhD
St. Jude Children’s Research Hospital
American Academy of Microbiology 2021 Fellows

Christina Kellogg, PhD
United States Geological Survey

Shabaana Abdul Khader, PhD
Washington University in St. Louis

Sabra Klein, PhD
Johns Hopkins University
American Academy of Microbiology 2021 Fellows

Gerald Koudelka, PhD
University at Buffalo

Andrew Kropinski, PhD
University of Guelph
Canada

Andy LiWang, PhD
University of California, Merced
American Academy of Microbiology 2021 Fellows

Kenneth Marians, PhD
Memorial Sloan Kettering Cancer Center

Julie Maupin-Furlow, PhD
University of Florida

Alexander McAdam, MD, PhD
Harvard Medical School
American Academy of Microbiology 2021 Fellows

John McCutcheon, PhD
Arizona State University

Robert McLean, PhD
Texas State University

Silvia Moreno, PhD
University of Georgia
American Academy of Microbiology 2021 Fellows

Joseph Mougous, PhD
University of Washington

Mitzi Nagarkatti, PhD
University of South Carolina
School of Medicine

Lishomwa Ndlovu, MD, PhD
Weill Cornell Medicine
American Academy of Microbiology 2021 Fellows

Kirsten Nielsen, PhD
University of Minnesota

Carlos Javier Orihuela, PhD
University of Alabama at Birmingham

Jennifer Philips, MD, PhD
Washington University School of Medicine
American Academy of Microbiology 2021 Fellows

Mario Poljak, MD, PhD
University of Ljubljana
Slovenia

Gregory Priebe, MD
Boston Children’s Hospital

Venigalla Rao, PhD
The Catholic University of America
American Academy of Microbiology 2021 Fellows

John Franklin Rawls, PhD
Duke University

Christopher Rensing, PhD
Fujian Agriculture and Forestry University
China

Meritxell Riquelme, PhD
Centro de Investigación Científica y de Educación Superior de Ensenada
México
American Academy of Microbiology 2021 Fellows

Natividad Ruiz, PhD
The Ohio State University

James Samuel, PhD
Texas A&M University

Alastair Simpson, PhD
Dalhousie University
Canada
American Academy of Microbiology 2021 Fellows

Brajesh Singh, PhD
University of Western Sydney
Australia

Ramunas Stepanauskas, PhD
Bigelow Laboratory for Ocean Sciences

Timothy Stinear, PhD
University of Melbourne
Australia
American Academy of Microbiology 2021 Fellows

W. Edward Swords, PhD
University of Alabama at Birmingham

Linda Thomashow, PhD
Washington State University

Victor Torres, PhD
New York University School of Medicine
American Academy of Microbiology 2021 Fellows

Susannah Tringe, PhD
Lawrence Berkeley National Laboratory

David Valentine, PhD
UC Santa Barbara

Carin Vanderpool, PhD
University of Illinois
American Academy of Microbiology 2021 Fellows

Linfa Wang, PhD
Duke-NUS Medical School
Singapore

Elina Zúñiga, PhD
University of California, San Diego
Thank you!
Congratulations Academy Fellows Class of 2021!
